

Healthy Air in Sheffield Conference

Friday 2nd December 2011

healthier lives

Summary of speakers and comments received

Jack Pease, Air Quality Bulletin - Chair's welcome and opening remarks

Lewis Merdler, Healthy Air Campaign - What needs to be done nationally to tackle air pollution?

Alan Andrews, Client Earth - Air Quality and the Law

Ted Gunby, Carterknowle & Millhouses Community Group - Campaign to stop Sainsburys Archer Road extension

Ben Anderson, Public Health Consultant, NHS Sheffield - The health effects of poor air quality

Ogo Ossamor, Sheffield City Council Air Quality Team - Implementation of Sheffield's Air Quality Action Plan

Well done for the coverage but especially for organising the conference it was excellent.
Sylvia Hamilton, Darnall Forum

The conference was really great, congratulations for sorting it all out.
David Bocking, Pedal Ready

I really enjoyed the conference. The speakers were all of exceptionally high quality. I will be briefing my group shortly and planning our next steps. Catriona Mulligan, Hexham

Thank you for an excellent morning, I found it extremely interesting and illuminating, it certainly stimulated a great deal of valuable discussion during the coffee and lunch breaks.
Jenny Allen, S11 resident
